Terms and Conditions

1. This permit is valid only for the hydrant number, purpose and dates shown above and must be kept at the hydrant while hydrant is in use, and must be presented upon demand by Water Works, Police or Fire Officials.
2. The fee and/or charges for this class of service shall be in accordance with Schedule G of the Fee Schedule. In addition, any hydrant damage attributable to the permittee will be billed to him.
3. Hydrants shall be used only in accordance with the following requirements:
 - a. Only a pentagon-shaped hydrant wrench shall be used to open the hydrant.
 - b. Hydrants shall be opened fully. Permittee will be responsible for controlling rate of use by providing his own valve.
 - c. Maximum size fill hose shall be 1-1/2" diameter.
 - d. Permittee will be responsible to flush hydrant prior to use. Water Works will not be liable for any inconvenience or damage caused by discolored water or sediment in the water.
 - e. In the event of a fire in the area, the hydrant will be made immediately available to the Fire Department.
 - f. No direct connection to a sewer or other source of contamination shall be permitted.
4. Any violation of these terms and conditions or the use of unauthorized hydrants may result in revocation of this permit. No fees will be returned in the event of such revocation.

5. All other Rules and Regulations of the Westchester Joint Water Works apply in their entirety to this class of customer.
