Note: Based on the re-bid results, Dakota Supply will be the primary K-Crete supplier for WJWW based upon it being the lowest qualified bidder. In the event that Dakota Supply is unable to satisfy the requirements of any particular WJWW job and it is in the best interests of WJWW to do so as per the determination of the WWJWW Distribution Superintendent, WJWW will utilize the next low bidder, Concrete Express, to provide K-Crete per the terms of its bid.

Trustee Elkind Eney made a motion to approve the Paving and Fill Materials Bid results as presented, awarding the bid to the lowest bidder, considering additional weighted average costs per cubic yards related to fuel charges, winterizing fees and standby overtime charges. The recommendation for awarding this bid also factors in the ability of the bidder to meet the time delivery requirement for same day orders. Trustee Murphy seconded the motion, all in favor:

Local Capital Projects - Water Infrastructure Projects and Planned Paving: David Birdsall,
Business Director, explained that WJWW strives to coordinate water infrastructure
replacement projects with planned paving projects that each municipality may have related
to sewer main installations or utility work to be done by Con Ed, for example. WJWW tries
to stay ahead of this issue to prevent the need for recently paved roads by the municipalities
to be ripped up for the replacement of either defective or vulnerable WJWW infrastructure.

This local capital projects and planned paving item is considered annually, with costs varying from year to year, as well as from municipality to municipality. Trustee Elkind Eney made a motion to approve the local capital projects for water infrastructure replacements related to planned paving within member municipalities in the amounts of \$500,000 for the Village of Mamaroneck and \$250,000 each for Town of Mamaroneck and the Town/Village of Harrison. Trustee Murphy seconded the motion, all in favor:

Purchase Booster Station Upgrades & PRV - Phase 2 (A-1387): Upgrade modifications related to this Joint Capital Project, which will result in significant improvements to the entire WJWW system, are continuing. David Birdsall, Business Director, reminded the Board that the initial phase of the project (A-1373) was approved for \$1.7 million, but due to costs related to the longer duration of the project and a broader scope, a Purchase Booster Station Upgrades & PRV (Phase 2) is being proposed. Some of the costs for Phase 2, in the amount of \$900,000, include having to have the temporary pumps for a longer time, reconfiguring of pipe work, electrical systems upgrades, pump and control modifications, and painting of the interior pipe work to help identify various components, as well as to provide a safe and resilient surface. This work will complete this project. By municipality the split would be Village of Mamaroneck \$259,200, Town of Mamaroneck \$165,600, and Town/Village of Harrison \$475,200. Trustee Elkind Eney made a motion to approve the Purchase Booster Station Upgrades & PRV (Phase 2) in the amount of \$900,000. Trustee Murphy seconded the motion, all in favor:

Osborn Road Wholesale Meter / Pressure Regulator Vault: This Joint Capital Project (A-1374) to improve WJWW's ability to monitor & control both water flow and water pressure with an adjacent water system managed by Suez Water Westchester, is one of 3 similar projects (also at the Anderson Hill Rd interconnection and the Westchester Ave interconnection). Each project location has presented specific conditions that have caused costs to vary. The Osborn Road site has more extensive and complex issues than expected which has resulted in a larger excavation area, longer project duration, extensive traffic control and increased costs related to materials. The original estimate was \$250,000, but an additional \$175,000 is being requested to bring this project to completion. By municipality the split of the additional costs would be Village of Mamaroneck \$117,300, Town of Mamaroneck \$79,050, and Town/Village of Harrison \$228,650. Trustee Murphy made a motion to approve the request for an additional \$175,00 for the Osborn Road Wholesale Meter / Pressure Regulator Vault, bringing the total project amount to \$425,000. Trustee Elkind Eney seconded the motion, all in favor:

• Lori Lee Dickson, WJWW General Counsel, explained that there is a requirement that WJWW hold a public hearing to accept comments for a proposed revision to the Open Meetings Law Section 103-A, which allows for the additional option for Trustees to participate remotely by videoconferencing in the event of "extraordinary circumstances", beyond the recent health emergency related to the pandemic. The resolution, being presented for Board consideration, will set the public hearing to accept comments on this proposed change to the Open Meetings Law. Public notification will be circulated to inform the public of the hearing, as required. Trustee Murphy made a motion to approve the resolution to set a public hearing for consideration of Section 103-A to the Open Meetings Law, on June 28, 2022, at 4:45 p.m., as part of the regularly scheduled Board meeting. Trustee Elkind Eney seconded the motion, all in favor:

• Rye Lake Filtration Plant:

SEQR Update: Lori Lee Dickson, General Counsel, shared that WJWW hosted a public comment on May 25th to accept comments on the DEIS. The comment period was open through June 6th but is now closed. The consultants are busy compiling all the comments, which will be addressed in the FEIS, expected to be presented to the Board in September.

- Project, System Maintenance and Operational Updates: Frank Arcara, General Superintendent, provided the following updates:
 - Chemical Bulk Storage Tank Annual Inspection and Spill Prevention Report Update Proposals: Frank Arcara, General Superintendent, reviewed two proposals submitted by D&B Engineering and Architects, concerning the annual 2022 Chemical Bulk Storage Tank Inspection and Spill Prevention Report Update for and the Purchase Street Booster Station and the Weaver Street Station.

Following review and discussion, Trustee Murphy made a motion to approve the 2022 Chemical Bulk Storage Tank Annual Inspection and Spill Prevention Report proposal for the Purchase Street Booster Station in the amount of \$3,900. Trustee Elkind Eney seconded the motion, all in favor:

O The WJWW crews performed 5 service line renewals and one curb valve repair. ELQ crews performed 2 water main repairs, 3 valve replacements and one service line renewal. The Service Department responded to 132 service calls and the Operations Department took a total of 106 samples - all came back within normal range. It was clarified that service line renewals refer to the connection between the water main and the curb box.

Resolution to Permit Remote Participation of WJWW Board Members in Accordance with Open Meetings Law 103-a

WHEREAS, by passing Chapter 56 of the Laws of 2022 ("Chapter 56"), the New York State Legislature amended NYS Public Officers Law, Article 7 ("Open Meetings Law") with the addition of Section 103-a providing, upon compliance with conditions and procedural directives contained therein, an expanded option to Westchester Joint Water Works to permit board members to participate and attend meetings remotely under "extraordinary circumstances ... including disability, illness, caregiving responsibilities, or any other significant or unexpected factor or event which precludes the [Trustee's] physical attendance at such meeting"; and

WHEREAS, the provisions in Section 103-a include the requirement that a quorum of the Board must be in the same physical location or locations where the public can attend before a Trustee may attend remotely based on "extraordinary circumstances and that any Trustee attending by videoconference must be "heard, seen and identified, while the meeting is being conducted; and

WHEREAS, Section 103-a(2)(a) requires a public body to conduct a public hearing prior to adopting a resolution authorizing the use of remote attendance by videoconferencing by board members under Open Meetings Law Section 103-a; and

WHEREAS, the WJWW Board of Trustees, after having conducted a duly noticed public hearing on June 28, 2022, is now prepared to take action.

BE IT RESOLVED, that the Board of Trustees of the Westchester Joint Water Works hereby exercises the option provided by Chapter 56 of the Laws of 2022 and authorizes its members, under extraordinary circumstances, as described above and further defined by rules or written procedures later adopted, to remotely attend meetings by videoconference in accordance with the provisions of Open Meetings Law, including Section 103-a; and be it further

RESOLVED, that Westchester Joint Water Works shall create written procedures further governing its use of videoconferencing by its members in compliance with Chapter 56 of the Laws of 2022.

Written Procedures for Remote Attendance by Trustees at Meetings of the Board Pursuant to Open Meetings Law § 103-a

In compliance with NYS Public Officers Law, Article 7 ("Open Meetings Law" or "OML") Section 103-a(2)(a), on June 28, 2022, following a duly noticed public hearing and upon action taken by resolution, the Board of Trustees of the Westchester Joint Water Works ("WJWW") authorized its members to use videoconferencing for remote attendance at meetings of the Board.

The following procedures are hereby established to satisfy the requirement of OML Section 103-a(2)(b) that any public body which in its discretion wishes to permit its members "under extraordinary circumstances" to participate in meetings by videoconferencing from private locations must establish written procedures governing such attendance.

- 1. Each Trustee of the Westchester Water Works ("Trustee") shall be physically present at any meeting of the WJWW Board of Trustees unless such Trustee is unable to be physically present at one of any designated open meeting locations due to extraordinary circumstances.
- 2. For purposes of these procedures, the term "extraordinary circumstances" includes any significant, unexpected or unforeseen circumstance, event or factor which precludes the Trustee's physical attendance at such meeting, including, but not limited to, disability, illness, caregiving responsibilities, obligations of Trustee's elected office, public emergency, natural disaster, accident, vehicular malfunction or travel delay.
- 3. If a Trustee is unable to be physically present at one of any designated open meeting locations and wishes to participate by videoconferencing from a private location due to extraordinary circumstances, the Trustee must notify the WJWW Business Manager and/or the Secretary to the WJWW Board of Trustees and self-certify the existence of an extraordinary circumstance no later than four (4) business days prior to the scheduled meeting to ensure that OML-compliant notice is provided to the public. If extraordinary circumstances present themselves to a Trustee on an emergent basis within four (4) days of a meeting, upon receipt of the Trustee's notification, WJWW shall provide for an OML-compliant meeting notice as soon as practicable. If WJWW is unable to provide an OML-compliant notice of the meeting, WJWW may reschedule the meeting.
- 4. If there is a quorum of the Board of Trustees participating at a single physical location or at a combination of physical locations, with each location being open to the public, the WJWW Board of Trustees may properly convene a meeting. A Trustee who is participating from a remote location that is not open to the public shall not count toward a quorum of the WJWW Board of Trustees but may participate and vote if there is a quorum of members physically present at the location(s) open to the public.

- 5. Except in the case of executive sessions conducted pursuant to OML Section 105, the WJWW Board of Trustees shall ensure that its members can be heard, seen, and identified while the meeting is being conducted, including but not limited to any motions, proposals, resolutions, and any other matter formally discussed or voted upon by and reasonable method, such as verbal introductions or through the use of placards physically placed in front of the Trustees, and for a Trustee participating by videoconferencing from private locations due to extraordinary circumstances, such Trustee must ensure that their full first and last name appears on their videoconferencing screen or on a placard placed conspicuously within view of the camera in front of the Trustee.
- 6. The minutes of the WJWW Board of Trustee meetings involving videoconferencing based on extraordinary circumstances pursuant to OML Section 103-a shall include which, if any, Trustee participated by videoconferencing from a private location due to such extraordinary circumstances.
- 7. Public notice for a meeting of the WJWW Board of Trustees shall inform the public: (i) that extraordinary circumstances videoconferencing will (or may) be used, (ii) where the public can view and/or participate in such meeting, (iii) where required documents and records will be posted or made available, and (iv) the physical location(s) for the meeting where the public can attend.
- 8. Each open portion of any Board of Trustees meeting conducted using extraordinary circumstances videoconferencing shall be recorded and such recordings shall be posted or linked on the WJWW website within five business days following the meeting. Such recordings shall remain available for a minimum of five (5) years after posting thereafter. Such recordings shall be transcribed only upon request.
- 9. If WJWW Trustees are authorized to participate by videoconferencing from a private location due to extraordinary circumstances, WJWW shall provide the opportunity for members of the public to view such meeting by video, and to participate in proceedings by videoconference in real time where public comment or participation is authorized. WJWW shall ensure that where extraordinary circumstances videoconferencing is used, it authorizes the same public participation or testimony as in person participation or testimony.
- 10. Meetings of the WJWW Board of Trustees conducted using extraordinary circumstances videoconferencing pursuant to the provisions of OML Section 103-a shall utilize technology to permit access by members of the public with disabilities consistent with the 1990 Americans with Disabilities Act (ADA), as amended, and corresponding guidelines. For the purposes of this guideline, "disability" shall have the meaning defined in NYS Executive Law Section 292.
- 11. The in-person participation requirements of OML Section 103-a(2)(c) shall not apply during any period of state disaster emergency declared by the Governor pursuant to Executive Law Section 28 or a local state of emergency proclaimed by the chief executive of a county, city, village or town pursuant to Section 24 of the Executive Law if the WJWW Board of Trustees determines that the circumstances necessitating the emergency declaration would affect or impair the ability of the WJWW Board of Trustees to hold an in-person meeting.
- 12. These procedures shall be conspicuously posted on the WJWW website at www.WJWW.com
